

NEWCOURTLAND

Germantown Home

Germantown Home, located on 13.5 beautifully landscaped acres in the heart of historic Germantown, offers short-term rehabilitation, long-term skilled nursing and respite.

We accept admissions 7 days a week at any hour of the day with arrangements, with easy access to public transportation.

CARE

- Coordination and access to medical consultants and specialists such as: on-site lab, x-ray, therapy, podiatry, audiology, ophthalmology and dental services
- Telemedicine services in house
- Memory support for those with Alzheimers / dementia
- Restorative services
- Coordination with the LIFE program
- Licensed social workers on each floor
- Periodic assessments of physical, mental and cognitive abilities
- Nurse practitioner on staff
- Personalized nursing care

COMFORT

- Spacious lounges and dining facilities
- Bedside phone jacks
- On-site chapel and chaplain services, including personal counseling and support
- Exterior door security system and wander alert system
- Barber and beauty salon services on premises
- Private and semi-private rooms available
- Beautiful outdoor patio and garden
- Innovative programs including arts and entertainment and cultural programs that often have an intergenerational component
- Frequent group trips and activities to keep seniors engaged with the community; including access to on-site movie theater
