

NEW COURTLAND

Germantown Home

The Germantown Home is excited to share info about our Video Chat option!

In order to help our residents communicate with their loved ones during this time, the Germantown Home is happy to offer a Video Chat option which will allow our residents to see and speak to their immediate family members. In order to take advantage of this, you will need access to an iPhone or an Android phone.

If you have an **iPhone** you can use the integrated **FaceTime** feature or if you have an **Android** phone you will need to download the **Skype** app.

Appointments, based on a first come first served basis, are available daily.

If you are interested in setting up an appointment to Video Chat with your loved one at the Germantown Home please contact Theresa Dietz at 215-951-7606 or tdietz@newcourtland.org.

Thank you!
