

NEWCOURTLAND
Germantown Home

What Makes

Germantown Home Unique

Germantown Home is NewCourtland's only skilled nursing home in the heart of historic Germantown. We provide skilled nursing services and long-term care in a warm, welcoming environment designed to feel like home. Our goal is to help seniors flourish and thrive. We provide an environment where families needing long-term care feel peace of mind once they walk in the doors and speak to our caring staff. Germantown Home's focus is and always will be on the senior population and enhancing the quality of life for Philadelphians.

We are unique and special in many ways:

- Germantown Home, is part of the NewCourtland community, a large non-profit organization of programs and services to help Philadelphians.
- Germantown Home is a vibrant community where we provide innovating programming, field trips, and an on-site movie theatre and large indoor and outdoor activity space
- We have a Full-time Nurse Practitioner and Medical Director with extensive geriatric knowledge and expertise working with the senior population
- Germantown Home has a fully staffed therapy department skilled in offering rehab for seniors 7 days a week if needed.
- Telemedicine services available for after hours coverage for medical concerns or questions
- We have a secure memory unit for those with Alzheimer's/Dementia and have therapy, recreational and Social work staff designated to that floor

Please contact Alison Corter, Director of Business Development for NewCourtland and liaison for Germantown Home at 215-951-4210 with questions or information about our services.
