

NEW COURTLAND  
Germantown Home

8/17/21

Dear Responsible Party of Germantown Home residents,

After many years of practicing medicine in the rehabilitation and nursing home setting, I have decided to pursue another career pathway. I will be leaving Germantown Home as Medical Director and attending physician after November 30, 2021.

I will be working to ensure a smooth transition of my Germantown Home patients to other physicians in the coming months. You will soon be receiving information from Germantown Home about physicians who will be joining the staff, and timing and process for transitioning to a new physician.

It has been a privilege to work at Germantown Home and to care for the resident community, including your resident. I wish the best for you and your Germantown Home resident.

Sincerely,

Mary Schuler MD
