

COVID-19 BOOSTER

Education Session

Thursday, December 16
2:00-2:30 pm

NewCourtland is hosting a virtual education session about the COVID booster for all NewCourtland staff, residents and residents' families. Dr. Neil Pitts, Dr. Ashely Ritter and staff from Germantown Home will be presenting information about the booster and will answer questions from the NewCourtland community.

To submit your question in advance, please email Dr. Ritter at aritter@newcourtland.org.

bit.ly/NCBoosterInfo

Speakers:

NEIL PITTS, PharmD

NewCourtland Board Member

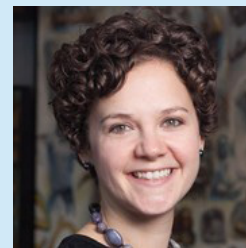

Dr. Pitts has been a pharmacist for over 40 years. As a professor and clinical researcher, he believes research has practical applications in the community and can serve as a tool to improve health. Dr. Pitts has an in-depth

understanding of the process and risks associated with vaccine development.

ASHLEY RITTER, PhD, CRNP

Embedded Nurse Scientist and Director of Clinical Care Research, NewCourtland

Ashley is a geriatric nurse practitioner with PhD training in health services research. Her research and practice focus on the delivery of care to adults with complex health and social needs in the community. She is

a founding member and the Chief Executive Officer of Dear Pandemic, a volunteer non-profit organization led by female scientists providing facts about COVID-19 on social media.
